further greening of the Specification and the updating of the BS Standards, where applicable. In line with the global consciousness for our environment, the new Specification has been rewritten and updated with sustainability as the key objective. The updating of specification is a continuous process. With the benefit of

We Build for Sustainability, Quality & Standards.....

I played an American Standard recently and the neck pickup tones through a Hot Rod Blues JR NOS were like buttah! I need to have one. Thing is, besides all the blues and Hendrix type stuff I play, Van Halen is my flavor of the month so I'm wondering if I should go HSS instead of SSS for more versatility.
