You may have come across many different types of statements in your life. But there is no statement more important than your personal mission statement. It is the statement that defines who you are; it is your "personal brand". If you have not heard of it before, it is in short, 1-5 sentences that describe your values and aspirations. (more...)

Service Design is essentially a discipline that shapes and tailors your business to fit with your customers' needs. If you want your service to shine – and I'm sure you do – you need to consider the overall experience of your service delivery. This is more important now than it's ever been for both internal and external service providers.

### Rethinking the ITSM Service Design Process

Our design projects are always the best way to explain how we work but we can not share it due to confidentiality. That's why we have created this story, to report a fictional design process and share it to newcomers. We would love to have some feedback from you.
