Writing a book proposal Once you have an idea for a book, the next step is to begin work on a proposal. The purpose of a book proposal is to capture a publishing editor’s interest so that he or she will agree to publish your book. The proposal also provides a description that could be used on the book’s back cover and in marketing materials ...

This book "Within the Gates" is a must read. It renders the truths of heaven and sheds some light on some scriptures misunderstood by some ministers of the word. There are some that would lead one to believe that in heaven all persons are developed into their full christ likeness at their time of arrival.
